Although Kids Size 0-4 is available we recommend using a second screen if using these small sizes in an order that also has adult sizing.

If your order requires these sizes please let us know so we can provide further information on receiving the best looking garments and pricing options for you.

When choosing a Shirt Colour - We are more than happy to reach out to suppliers to ensure there is stock in all sizes prior to your design process.

This will ensure there are no disappointments or design changes once you are ready to place your order.
